

ENROL NOW FOR KINDERGARTEN 2023

Canterbury Public School is a warm and welcoming primary school dedicated to serving a richly diverse and highly engaged community. Our purpose is to support every child to flourish.

The cornerstone of our community: Canterbury parents and carers are partners in education. The school and its families share responsibility for students' learning and wellbeing grounded in positive and respectful relationships. Working together, we can create capable, innovative, resilient and empathic individuals, communities and societies.

The pursuit of excellence: Canterbury strives to be an exemplary learning community committed to developing students of courage, integrity, responsibility and accomplishment.

Quality teaching and learning: Canterbury's passionate teachers are highly qualified life-long learners. They are innovative and collaborative professionals who know, value and care for every child, dedicated to helping students reach their potential in an inspiring and safe environment.
